Case No. 4:25-cv-03520-YGR

**DISCORD INC.'S ADMINISTRATIVE
MOTION TO CONSIDER WHETHER
ANOTHER PARTY'S MATERIAL
SHOULD BE SEALED PURSUANT TO
CIVIL LOCAL RULES 7-11 AND 79-5(f)**

[Motion to Compel Arbitration and Stay
Litigation; [Proposed] Order; Declarations of
Adam Sieff and Nicholas Reynolds Filed
Concurrently]

Hon. Yvonne Gonzalez Rogers

Complaint Filed: April 21, 2025
Date Action Removed: April 22, 2025

Pursuant to Local Rules 79-5(f) and 7-11, Defendant Discord Inc. respectfully submits this Administrative Motion to Consider Whether Another Party's Material Should Be Sealed. Discord's concurrently-filed Motion to Compel Arbitration and Stay Litigation attaches as exhibits certain documents and information that either directly identify Plaintiff, or is likely to identify her. This information is related to, or derives from, the username and email address associated with one of Plaintiff's Discord accounts, which Plaintiff provided to Discord subject to Discord's agreement to keep the information confidential. *See* ECF 24.

Local Rule 79-5(f) provides that: "For any document a party ('Filing Party') seeks to seal because that document has been designated as confidential by another party or non-party (the 'Designating Party'), the Filing Party must, instead of filing an Administrative Motion to File Under Seal, file an Administrative Motion to Consider Whether Another Party's Material Should Be Sealed[.]" Accordingly, under Local Rule 79-5(d) and (f), Discord seeks to provisionally seal the following exhibits to the concurrently-filed Declaration of Nicholas Reynolds and Declaration of Adam Sieff in their entirety, either because they (i) consist entirely of confidential billing information derived from the username and email address Plaintiff provided, or because they (ii) consist of information derived from that username and email address that is otherwise likely to identify Plaintiff and/or her father:

Sealed Document	Basis For Sealing
Exhibit B to the Reynolds Declaration	Exhibit consists of billing information associated with Plaintiff's Discord's account.
Exhibit 1 to the Sieff Declaration	Exhibit consists of a screenshot of a social media account associated with Plaintiff that, unless fully sealed, is likely to identify her.
Exhibit 2 to the Sieff Declaration	Exhibit consists of a screenshot of a social media account associated with Plaintiff's father that, unless fully sealed, is likely to identify Plaintiff.
Exhibit 3 to the Sieff Declaration	Exhibit consists of a news article about Plaintiff that, unless fully sealed, is likely to identify Plaintiff.
Exhibit 4 to the Sieff Declaration	Exhibit consists of a news article about Plaintiff that, unless fully sealed, is likely to identify Plaintiff.

Additionally, Discord also moves to provisionally file under seal unredacted copies of the

Reynolds Declaration, Sieff Declaration, and Exhibits A, C, and D to the Reynolds Declaration.

The information Discord seeks to redact from these documents includes:

Document	Redacted Information
Reynolds Declaration	Email addresses and usernames associated with Plaintiff and her father.
Exhibit A to the Reynolds Declaration	Email address, username, and IP address associated with Plaintiff.
Exhibit C to the Reynolds Declaration	Email address, username, and IP address associated with Plaintiff.
Exhibit D to the Reynolds Declaration	Email address, username, and IP address associated with Plaintiff's father.
Sieff Declaration	Plaintiff's name; Plaintiff's father's name; email addresses and usernames associated with Plaintiff and her father; information from news articles that is likely to identify Plaintiff.

Pursuant to Local Rule 79-5(f)(2), Plaintiff has been served with a copy of this Administrative Motion today through the CM/ECF system, as required by Local Rule 79-5(f)(2).
